

WHO WE ARE

Smart Group Traders, Inc. is an importer of the highest quality fresh organic ginger, cold-pressed organic ginger & turmeric juice, spices, and fruits from the Peruvian Amazon. We are a family-owned business with a passion for the fresh produce & beverage industry.

To capture the authentic flavor profile of ginger and turmeric, we process on harvest day, only miles from the harvest location.

In partnership with Agroindustria JAS, we have developed one of the largest state-of-the-art manufacturing operations of cold-pressed organic ginger & turmeric juice in the Amazon of Peru, built to meet the highest standards of the industry.

Our farming methods are considered to be by the natural and native way, without the use of petrochemical fertilizers, inorganic fungicides, or insecticides.
